

White Rock Councillor Jack Burrows was informed Wednesday that he no longer holds a seat on Surrey Council. Burrows contacted E. Brown, Deputy Minister of Municipal Affairs in Victoria and was informed his term had expired as of April 15, as the Council does not own property in Surrey. The Deputy Minister said Parks Board Commissioners not owning property in the municipality would also be affected.

#### PLAN APARTMENTS

### Hotel Building Report Denied By Jarvis

A strong denial was made Monday against a report on April 11 that a half-million dollar resort hotel was scheduled to be built in White Rock sometime after June 1.

J. E. Jarvis of Jarvis Construction Company and Jarvis Holdings Ltd. of Vancouver said there is no truth in the story printed in other newspapers that plans which are not yet completed, call for a \$500,000 apartment hotel, overlooking Semiahmoo Bay, to be built by the Jarvis Company.

Last week a city daily stated the Jarvis Company has purchased a three-acre site on Victoria Ave. bounded by Buena Vista and Martin St. formerly known as the Hope Estate.

Mr. Jarvis said Monday that negotiations by his company for 2½ acres of the property between Victoria Ave. and Buena Vista were now finalized, and it is likely construction of an apartment block will begin after June 1. He emphasized no hotel would be included in the proposed buildings.

Grandview Auto Court, owned by Ivan Pepper, will be closed and cabins moved off the Victoria Ave. site to allow for the clearing of the property.

The Hope Estate consisted of five acres that ran from Washington Ave. to Buena Vista.

## Bigger and Better Sea Festival Aim of Committee

Tentative dates of July 26 and 27 have been chosen for a bigger and better Sea Festival 1957, officers of this year's committee have announced, thus contradicting rumours of cancellation of the usual summer White Rock event.

The annual meeting and election of officers held in the Recreation Centre Hall on Thursday, April 11, was well attended by representatives of service clubs, organizations and individuals.

State of officers for 1957 elected were as follows: President, J. Shortman; 1st vice-pres., Stanley B. Evans; 2nd vice-pres., Mrs. Ruth Johnson; secretary, Mrs. Lily May; treasurer, Mrs. M. Helmer. A directorate executive committee of three composed of W. M. Johnson, W. R. Brown and E. S. Suddes was elected with an additional two members to

be elected at a future special meeting.

#### PROGRAMME CHAIRMAN

Mr. Brown, whose name as director of recreational events is already well-established here, accepted the job of general programme chairman. All committees will be co-ordinated through this office.

During general discussion it was unanimously agreed that the annual White Rock Sea Festival should be one of this city's biggest tourist attractions, even to the extent of becoming as well known as the Kelowna Regatta event or the big annual Penticton Festival.

The meeting closed on a very optimistic note, and elected and appointed workers have pledged themselves to a bigger and better Sea Festival than ever.

## White Rock's First Mayor and Council Formally "Sworn In"

### Election Date, Sept 19

White Rock formally became British Columbia's newest City Wednesday night with the swearing in of the Mayor and Council by Mr. Justice Harry Sullivan of the B.C. Supreme Court in a colourful ceremony at the new City Hall offices.

A large number of dignitaries from all parts of the Lower Mainland were official guests at the ceremony which was in progress at The Sun's press time. The swearing-in ceremony was followed by a reception tendered the City and its Mayor and Council by the Bank of Montreal. The reception was held in the Silver Moon.

Actually White Rock became a City at 12:01 a.m. Monday according to the terms of the Letters Patent which were issued by the Lieutenant-Governor in Council at Victoria last Friday. The Letters Patent set the date and time of tonight's first formal Council meeting. They also set the date of the first election as Sept. 19.

Wednesday night's ceremonies and first Council meeting were covered by all the metropolitan press by Canadian Broadcasting Corporation Television and at least two radio stations.

Asked by The Sun as to the agenda for tonight, Mayor C. M. Defieux declared that business would be held to a minimum and likely would include only the first and second readings of By-law No. 1 establishing the borrowing power of the new City. The meeting would be adjourned after the ceremonies and resume again on Thursday night at 7:30.

"This is an historic week for

Ready to take over civic administration of the new City of White Rock are: seated, Mayor Charles M. Defieux; from left, Alderman William Shields, Alderman C. E. White, C. H. McElhinney, former Secretary of the Provisional Council; Alderman William Offer; Leslie Brice, Supervisor of Civic Organization; Alderman William Hodgson; Alderman Alex Mitchell; Alderman Leonard Parker; and City Solicitor Lorne Jackson. Graphic Ind. Ltd. Photo

White Rock." Mayor Defieux told The Sun in a special interview immediately prior to the swearing-in ceremonies. "It is the accomplishment of the dreams and hard work for many people."

He paid tribute to the pioneers in the Incorporation movement and to the Provisional Council for their work since appointment some months ago.

"The Incorporation of White Rock has been the reward of much hard work," added Mayor Defieux. "But the task has just begun. We who are appointed to office feel highly honoured at the privilege of citizenship which has been given us. We will need the co-operation and the sympathetic understanding of all our people. The opportunity is great and there is no doubt in my mind that the people of White Rock are well capable of the public effort which will produce a City of which we will all be proud."

Mayor Defieux paid tribute to the co-operation being shown to the new City by Reeve R. M. Nesbitt, Municipal Manager, Percy Livingstone and officials of Surrey Municipality.

"The period of transition is a difficult one from a standpoint of administration. We are getting excellent co-operation from Surrey. It is neighbourliness at work. We have so much to be grateful for to so many, not forgetting Mayor Toby Jackson and City Clerk Wilfred Green of New West-

minster. Two other people should also be mentioned. I speak of Mr. C. H. McElhinney of White Rock who worked so hard as secretary of the Incorporation Committee and until now as secretary of the Provisional Council. We are also fortunate to have been able to secure the services of Mr. Leslie Brice, also of White Rock, a veteran of civic administration, who stepped into the breach as our Supervisor of civic organization. And, of course, everything would have gone to naught but for the continuous work, past and present of Hon. Thomas Irwin, M.L.A. who was our voice and friend at Victoria.

"All that mortal can do, we will do honestly and conscientiously. But without spiritual guidance and the prayers of the people all these efforts would be but an empty shell. There is a text and a rule of guidance for us to follow. It is in the 127th Psalm. 'Except the Lord build the House, the builder shall labour in vain; except the Lord keepeth the City, the watchman waketh in vain.'"

"I would like to take this opportunity, too, of thanking the Semiahmoo Sun for the co-operation and sympathetic assistance it has always given us. The thanks of the Council go out to all the people of White

Rock. We are at their service. Tonight is more than an occasion of ceremony. It is a moment of dedication not only for the Council but for every citizen."

Official guests invited to the reception were: Mr. Justice H. Sullivan and Mrs. Sullivan; Judge G. W. Bruce Fraser and Mrs. Fraser; Hon. W. D. Black, Minister of Municipal Affairs; Hon. T. J. Irwin and Mrs. Irwin; Surrey Reeve R. N. Nesbitt; Councillor J. Burrows and Mrs. Burrows; New Westminster Mayor, Toby Jackson; Mrs. Jackson; Reeve Kirkland, Delta; Mayor, E. E. Sendall, Langley; Surrey Municipal Manager, Percy Livingstone; Surrey Municipal Clerk, R. N. Chester; Blaine Mayor, Wynn Haws and Mrs. Haws; White Rock Board of Trade President, Ken Binning and Mrs. Binning, also Board Secretary Mrs. D. Crawford and Dr. Crawford, Junior Chamber of Commerce President, Howard (Continued on Page 6)

## Adequate Fire Protection... Pollard New Fire Marshall

White Rock residents can be assured that adequate fire protection in the new City will be maintained until such time as the Fire Department is brought under control of the incoming city council, Surrey Fire Marshall Ray Feather told an emergency meeting of the White Rock-Sunnyside Fire Council last Sunday evening.

Mr. Feather stated it would be necessary for White Rock to have a fire Marshall and Chief Wm. Pollard was offered

the position. Capt. Barge will be acting chief in the meantime.

The Surrey Fire Marshall pointed out that under present regulations Fire Brigades from Hazelmore and Crescent would not be allowed to cross the border into White Rock, but Crescent can send a crash truck in times of emergency.

It was also announced that the White Rock fire staff would be increased on Monday by the addition of an extra fireman.

## Has Not Resigned, Says T. J. Irwin

Hon. T. J. Irwin, Speaker of the B.C. Legislature, said on Tuesday he had not authorized any statement saying that he had resigned from the provincial government to enter federal politics.

Press reports in city dailies have recently stated that Mr. Irwin would be Social Credit candidate for Burnaby-Richmond in the June elections.

### Concert Performance of "Mikado," April 24

When the curtain rises in Semiahmoo High School Auditorium on Wednesday, April 24 at 8 p.m., the audience will be transported to the picturesque land of cherry blossoms, kimono, rickshaws and ceremonial fans.

On that evening the White Rock Choral Group, under the direction of Conductor Garrie B. Splitt, will present a concert performance of the "Mikado," one of Gilbert and Sullivan's best-loved operas.

Members of the chorus and principals will all be in colorful Japanese costume, in order to create the atmosphere of the opera with its beautiful garden setting.

Geraldine Fraser will be accompanist and leading roles will be taken by well-known soloists Aeneid Tait, Winnifred Robinson, Isobel Splitt, Romney Tait, Richard Ostendorf, Albert Mansfield and Fred Fenner.

The concert performance of Gilbert and Sullivan offers something new in entertainment in White Rock. The high musical standard set by Conductor Splitt and his singers at the pre-Christmas concert given by the Choral Group promises a musical treat on Wednesday, April 24, for both old and young.

### Horticultural Society Spring Display, May 14

There was a record attendance at the April meeting of the White Rock and District Horticultural Society to hear Tom Barber of the Vancouver Sun, who spoke on the key notes for good gardening and imparted a great deal of valuable advice.

After a spirited discussion period a very hearty vote of thanks was offered by the President, Mr. J. T. Pirie, and

### Eagles Plan Gala Celebration

White Rock Eagles will hold a gala celebration to mark their fifth birthday in this district, since the club formed on May 19, 1952.

This ceremony was decided at the Eagles annual meeting Thursday in the Eagles Hall, at which Ray Fitzpatrick was chosen as president.

Other officers for 1957 are: Earl Dinmore, junior past-president; Lawrence Isener, vice-president; Harry Blomme, chaplain; Allan McLeod, secretary; Ralph Drayton, treasurer; Martin Bajer, inside guard; Bert Young, outside guard; and Stanley Hoeffel, trustee.

Installation ceremony will take place on June 3. The regular monthly social evening was held April 8 in the Eagles Hall.

### Children Made Happy at PTA Family Fair

The PTA Family Fair held last Saturday in the new Elementary School, featured work by the pupils. Each class display showed something of interest; beautifully neat exercise books, delightful posters prepared for Christmas, underwater scenes with divers showing the joy of creation from other pupils and the very complete displays in the Home Economics room to mention only a few.

Proceeds will be about \$200, not including the profit from the sale of hot-dogs which goes directly to the Dental Clinic. Kathy Martin was the happy little girl who went home with the dressed doll. Judy Martin had the wheelbarrow. Richard Thorpe won the gun and holster set.

The grease and oil job at Heard Motors was won by Mr. B. Morrow; the lamp by Mrs. A. Lorentsen; the canister set, Mrs. H. Daniels; the towels, Mrs. J. Brock; the pillow slips, Mrs. K. Toftdahl. Mrs. L. Long reaped her reward for long hours of work for the Fair when she won both the beautifully-decorated cake and the wheelbarrow containing a flower pot.

A particularly delightful tea was served by the J.C.Ettes.

### Easter Story Hour

Easter stories will be told in the library, Saturday, April 20 at 11 a.m.  
Visiting Story Lady will be Mrs. Miriam Haavik.

## Stayte Road Residents Protest Auto Court Building

A petition signed by every resident on Stayte Road between Columbia and Pacific Ave., protesting the construction of an auto court in this area was presented to Council by a five-man delegation prior to a Board of Works meeting April 3.

The delegation claimed that in granting permission to J. Barton to build an auto court, Council had failed to realize this was a high-class residential district and the peace and quiet of the neighbourhood and the value of homes would be devaluated by such a building.

Reeve R. M. Nesbitt told the group that Council was checking into the matter of set-back of the auto court. Most of the houses in the area are set back 75 feet, whereas the auto court is only going back 32 feet. Fear that the view and appearance of gardens in the vicinity would be spoiled was also expressed.

Building Inspector Dan Closkey told Council in order to move the auto court back 75 feet additional clearing would be necessary. He said, due to the grade of the land at the rear of the property, it was

doubtful if sewer installation could be extended that far back to serve the court.

Mr. Closkey reported that Mr. Barton was prepared to go back an additional eight feet to a total set-back of 40 feet.

The buildings are to be modern, low, and heated with electricity and the building handling the hot water unit would be well set back, he said. The Inspector will contact Mr. Barton further to see if an additional set-back can be arranged.

In Board of Works discussion, Councillor Aubrey Stevens reported that replacement of a culvert west of Stevenson Road at North Bluff had been done with the owner replacing the tile.

Board of Works agreed that owners in the Hilltop area collecting money for the paving of Martin Street from Thrift to North Bluff collect at 25 cents per foot for the complete length of the road, provided it is paid in by April 15. Councillor Jack Burrows reported the group was determined to collect for the full length of the road.

## Know Your British Columbia

### Little Eden of The Cariboo.

By Sally Ross Allanson.

If the Wenner-Gren deal in the Rocky Mountain trench goes through its proposed monorail transportation system will not be the first one dreamed of by B.C. One of the first monorail transportation systems planned for the province was that proposed by an American businessman, a Mr. C. Barnes, early in the year 1906.

The railway was part of a fabulous land development scheme that saw Walahachin, interior town of British Columbia, rise from a sage brush wasteland to highly productive orchards in little more than 3 years. The plan was to have a monorail for carrying the fruit to a central shipping depot on the main line.

During a trip through the Cariboo in 1906, Mr. Barnes had occasion to pass through country lying some miles east of Cache Creek. There was nothing about the rolling weed choked area rising in dusty terraces from the banks of the Thompson River lying far below to inspire dreams in the ordinary man, but young Barnes, as well as being a dreamer, was a man of tremendous drive and ambition, who, once his mind was made up, rarely deviated from a chosen course of action. As he stood there on that far-off day he saw, in place of arid wasteland, apple orchards stretching for miles, truck gardens, humming bee hives, busy packing-houses and a cannery. He saw a huge community proudly rising from the grey dust to become the hub of the legendary Cariboo—a little Eden, with him, himself, as its overlord.

### IRRIGATION NEEDED

The problem of where water for irrigation was to come from was solved after a thorough survey of the surrounding country. Deadman's Creek proving the most prolific source, it would mean the building of over 20 miles of wooden flume across rough hilly country, but once the job was accomplished, there would always be an ample supply. After settling his all-important irrigation problem, Barnes at once set about negotiating for the land he wanted, an area of some 3000 acres on the left hand of the Thompson River, acreage he later purchased for the sum of one dollar per acre. With an eye to future expansion, he formed a company known as B.C. Horticultural Estates, to purchase and develop approximately 2000 acres of land on the Thompson River's south bank. That his project had all the earmarks of becoming a successful reality was shown in the rapid development of the community as a whole. By 1908, much of the land at Walahachin was cleared of its tenacious sage-brush, and vigorous young trees were putting down roots, as were settlers lured there by the promise of future prosperity. As time passed a modern Hotel was erected and later a sturdy community hall. The day of the official opening of the two structures was a gala one for Walahachin, people from many parts of the Cariboo gathering to admire and celebrate. With the completion of the hotel and hall, a scheme of ambitious proportion was proposed for the benefit of delighted residents. A scheme that would include outdoor swimming pools, tennis courts and football fields, and most fabulous of all, a monorail transportation system. English families of good breeding were encouraged to leave their homeland, and sink their ample savings into apple trees and luxuries by the promise of good things to come. They did just that, arriving daily, swelling the busy little town's population, and adding greatly to its cultural, as well as social life.

### CAME THE WAR

The future looked very rosy indeed that Fall of 1914, but as is the case with all earthly Edens, trouble in the form of War came to Walahachin. As rapidly as it had risen from the arid wasteland, the fall of Walahachin began. More than three-quarters of the male population had answered the call to arms, and with their going, the flume fell into disrepair, apple trees by the dozens, then by hundreds, wilted and died for lack of water. Sage brush first slowly, then ever faster, began its relentless march back to reclaim its own, and what had once been a place of lush green beauty took on the look of a grey, dust-ridden desert. Many of the residents had long before packed up and left, only a few die-hards remaining to witness the final surrender of man. Today, all that is left of the once busy thriving community is a half dozen drab little houses, a community hall that has withstood the ravages of time and weather, hundreds of gnarled, wind-polished trees, and a few grey boards, still clinging to hillside and ravine, marking the route of the once sturdy wooden flume. Life line of Walahachin—and everywhere there is sage brush, and silence.

### AN EASTER POEM.

#### Love Triumphant.

All hail triumphant risen Lord;  
Thou Prince of life and peace,  
Incarnate Son of God—The Word,  
Through whom all strife must cease.  
For thou didst break the chains of death,  
The captives to set free,  
Thy grace and mercy pardoneth,  
All who repentant be.  
If Thou hadst not come down to save  
A lost humanity;  
Then evil would our souls enslave  
In darkest misery.  
But now is darkness swallowed up  
In lambent flame divine;  
We taste the living bread, to sup  
And drink the poured out wine.  
Most precious was the ransom price;  
Love, hung on Calvary;  
An all-glorious sacrifice  
Of God-like charity.  
We look for Thy bright coming soon,  
As rightful King to reign.  
Resplendent as the sun at noon  
While earth its rest obtain.  
Creation then from pole to pole,  
And thence from sea to sea,  
Shall Thy great worthy name extol  
With shouts of jubilee.

C. James Ayres. 12869 Crescent Rd. White Rock.

## The COMMON ROUND

A. J. P.

AS EASTER TIME draws near we are reminded of the many unusual customs connected with it still observed in the old land. The British Travel Association notes that throughout England the observance of centuries-old customs marks the celebration of Easter. One of the most ancient and famous of these customs is the distribution of the Maundy Money by the Queen at Westminster Abbey on the Thursday before Good Friday. When as many poor and aged men and women as there are in the Sovereign's age are personally presented with specially minted coins.

NOT FAR FROM LONDON, the lovely Essex village of Dunmow is the scene of one of the most amusing old customs. Several married couples are subjected to a sometimes embarrassing, but always good-humoured, cross-examination of the harmony of their married lives. The couple who can prove that they have not spoken a cross word to each other within a year and a day are awarded the "Dunmow Flitch"—an immense side of bacon.

A QUAINTE FEATURE of London life is the horse-drawn carts and vans which, even in these modern times, can be seen daily making their way through the busy streets of the

capital. With the coming of Spring, these working horses receive extra care and grooming from their owners in readiness for the annual working horses' parades, which take place in London's Regent's Park on Easter Monday and Whit Monday.

CANADA CAN BOAST of having the world's longest covered bridge—the Harland Bridge in New Brunswick. It's 1,300 feet put it 22 feet ahead of the runner-up, a Norwegian bridge. Third longest is the 1,000 foot one at Cap Chat, Que. Canada has more than 600 such bridges, about equally divided between Quebec and New Brunswick. Many of these picturesque structures, built by the pioneers from the ready wealth of timber and covered, top and sides, to keep them open at all seasons, are still in use. In addition to their function, they make interesting tourist attractions.

## Going My Way?

By Homespun.

In the old days, Spring was a time for stretchin' and takin' stock—for cleanin' out hen-houses, givin' a look see to see how the hay an' feed was holdin' out till the new summer-sweet load came in. For gettin' acquainted with the brand new calves an' wee bits of horses, an' most of all for stayin' out of the misss' way. While I house cleaned out doors as it were, she did the same inside, an' I'm tellin' you, there ain't anythin' more single tracked than a woman doin' her Spring cleanin'. She don't take time to look where the sweet new leaves are startin' to uncurve on the trees—or where the first robin is lookin' about for new diggin's preparatory to settin' up house-keepin' an' keepin' up a runnin' conversation meanwhile. She don't take time just to Adorable Artist who created it, stand quiet, breathin' in the clean fresh smell of a dew-wet mornin' to where the bits of clouds are playin' tag all over the sky like little girls in clean starched pinafores. An' a lark is singin' fit to break your wit with the clover, leaf, an' heart. She kind of overlooks bloom.

Tuesday, April 23rd, at 8 p.m.

Speakers:  
Mr. Charles F. Stephens,  
and

The public and organizations are cordially invited to attend this meeting.  
"White Rock Needs a Community Centre."

## Next Step Forward— An Indoor Swimming Pool

Plan of this year's Sea Festival Committee to donate proceeds of the Festival towards an indoor swimming pool for White Rock will be well received by those who strive to improve amateur swimming facilities in this resort which boasts the finest summer facilities but has nothing to offer the many who wish to keep in practice throughout the year.

The old adage "practice makes perfect" must be followed by most swimmers who wish to make their name in this line of sport and White Rock trainees should be no exception.

It is a well-known fact that Vancouver aquatic stars practise at least three or four times a week in indoor pools during the winter. This is in addition to their regular instruction and training in open pools or bays during the summer months.

The argument that White Rock swimmers cannot keep up with the pace set by their competitors from Crescent, the majority of whom are summer residents who practise throughout the winter in city pools, is beginning to seem justified.

If White Rock hopes to promote good swimmers who might eventually compete in Provincial, Dominion or even International competition, an indoor swimming pool would be an initial step towards this aim.

With the interest shown in this sport by citizens as well as visitors, an indoor pool would inevitably "pay off" in the long-run. It would be necessary to secure the services of a full-time instructor or supervisor and part-time assistants to administer an organized schedule and carry out an extensive training programme.

From the Festival angle, an indoor pool would be a concrete project for the committee and an excellent answer to those who pose the question, "What happens to Festival profits?" There has long been much criticism as to the purpose and good accruing from the Sea Festival, which has resulted in lack of support and interest in an event which could be made to equal the K. I. Regatta with the same amount of backing the interior water extravaganza receives.

There can be little doubt that an indoor swimming pool for the youth of White Rock could result in the ladder of stardom for a few and hours of good supervised recreation for many, whether it be in November or March.

### OUR CITY A SUCCESS.

Who'll be White Rock's first Councillors, and who'll be White Rock's first Mayor? The selection of such notables, must be done with utmost care. We'll have many willing aspirants, from which to make selection. And we sure must do some thinking, before the time comes for election. There may be some who have an axe to grind, or just for self, inclined. Such motives could be harmful, and should be kept in mind. Incorporation pros and cons, we should eliminate. You had your chance to vote on that, they now are out of date. But we've die-hards in our midst, and trouble they might make. One real test of citizenship, is that of give and take. Live and let live, could be a motto used by all. And ever remembering, "united we stand, divided we fall." The past is gone, let's move along, and brighter times possess. So let's look for Mayor and Councillors, those aiming for "Our City a success"

W. F. MCCLINTOCK.

# In the Garden

By G. E. Sery, Garden Editor.

## Laying Out the Vegetable Plots.

Your garden can be beautiful if you plan it out with precision. The beauty of a vegetable planting lies in its order, with crops growing in straight, parallel rows, squared with plot boundaries and not a weed to be seen.

Not only beauty, but efficiency is gained by such a layout, one quick trip with a wheel hoe down the straight aisle between two rows will destroy hundreds of weed sprouts in a fraction of the time required to cultivate a disorderly garden.

Rows should be spaced with varying distances between them, depending on two factors: The needs of the crop and the convenience of cultivation. In rich soil vegetables may be spaced more closely than in poor, but when spaced too close together, it is difficult to cultivate between them.

Crops growing 18 inches tall or less may be spaced 10 inches to a foot apart if cultivated with hand tools. For a wheel hoe, 18 inches is likely to be found a minimum distance to avoid disturbing the roots of other vegetables.

Taller vegetables and those that make vines, large bushes or have a sprawling habit, must be given more distance between rows. In small gardens, four feet will usually be the maximum distance, given only for such crops as bush squash and cucumbers.

After you know where the rows are to be, a line should be stretched to mark the first row. Any strong cord stretched between two stakes will do. Using the corner of the hoe, draw in the soft soil a shallow trench with this line as a guide. This is known as a drill. Some prefer to use the

end of the hoe handle and for very small seeds the corner of a stick pressed into the soil is adequate. Others have small hoes which they like, but it is more a matter of touch than the tool.

For small seeds such as radishes, onions, carrots, lettuce and endive, a drill half an inch deep is enough. A little deeper for beets and Swiss chard, and an inch for peas, beans and sweet corn will be sufficient. Shallow sowing is preferred nowadays in the cool moist Spring, but make drills a little deeper when hot weather comes.

### SOWING PEA CROP EARLY

Though peas give a small harvest for the space occupied, they are so delicious when grown in the home garden and cooked immediately after harvesting, that most gardeners are willing to give them the space needed. Hot weather is their greatest enemy, so they do best in regions where Spring comes early.

Everywhere the first sowing of peas should be made as early as possible, having in mind the finer varieties, which have the wrinkled seed, may decay if the soil remains cold and damp too long after sowing. Smooth seeded peas will not decay so easily, but they are not of as high quality as the wrinkled kinds.

When Spring comes late, and Summer follows quickly, only one crop of peas is likely to be successful, and for this an early dwarf variety should be grown under the most favourable conditions. In new gardens, or old ones where peas have not been grown before, the seed will grow better if inoculated with a bacterial culture which can be obtained for that purpose.

### SWEET PEAS BECOMING MORE POPULAR

Sweet peas, once the most popular annual flower in this country, grown almost in every garden, are making a strong come-back. Varieties which bloom early and resist hot weather are in part responsible, and better methods of growing help a great deal.

It used to be advised, and still is, that the seed of sweet peas should be sown at the bottom of a trench six inches deep, covered lightly with soil, the trench being filled as the plants grow. Now we are advised to make a drill only 1½ inches deep in which to sow the seeds, which is not only a lot easier to do, but avoids plenty of trouble from poor drainage and disease.

The old-fashioned grandiflora type was replaced by the larger and more beautiful Spencer waved strain, but it was found that the newer type was so much later in flowering that hot Summer weather cut its harvest short in many sections.

It took time to change this, but there are few problems which modern plant breeders cannot solve, and this one was solved some years ago. More and more gardeners are learning that now there are available strains of Spencer sweet peas which bloom early, and resist hot weather, so that a long season of beautiful flowers is possible from seeds sown in the outdoor garden. Seeds can be sown as early as the hardest varieties of garden peas. Porous garden soil as fertile as you have will give best results. As soon as the plants are 3 inches high, brush should be provided for the vines to climb, and by the time they have grown to six inches wire or other supports, well anchored to resist wind, should be in place.

Regular watering is essential after the Spring rains and the soil should be soaked at least every week, often if necessary to prevent drying out. Liquid manure should be given every two weeks, and a mulch of manure, lawn clippings or similar material will help retain the moisture in the soil and prolong the flowering season.

Sweet peas are legumes, and secrete nitrogen from the air. They benefit if the seeds are inoculated with a bacterial culture sold for that purpose.

## Many Win Prizes At Sr. Citizens Bazaar

Senior Citizens Association, Branch No. 38, held a very successful bazaar in Buena Vista Hall, Wednesday, April 10. The bazaar was opened by Mrs. T. A. Irwin and was well attended. General convener was Mrs. M. Leach.

Conveners of stalls were: Fancy work, Mrs. E. T. Everett, assisted by Mrs. H. Ehler; home cooking, Mrs. G. Davies, assisted by Mrs. M. Ashton; white elephant, Mrs. E. Lilley, assisted by Mrs. Glover; used clothing, Mrs. N. Kidd, assisted by Mrs. N. Johnston; tea, Mrs. F. Clifford, assisted by Mrs. North East. Mrs. McDuffey, Mrs. E. Graham, Mrs. W. McKean, Miss J. Cummins, Mrs. Green and Mrs. Bielby.

Music was supplied by Mr. W. McKean and Miss Kathleen Lock.

Winners of drawings were: Satin cushion, Mrs. Davidson, 1032 Stevens St.; door prize, unclaimed, ticket No. 349988; child's dress, Mrs. Davidson (no address, not same as above); picture, Mrs. Gourdeau, 15527 Victoria Ave.

## Boulevard Improve'ts Sought For Crescent

A delegation consisting of Mr. N. G. M. Loughheed, Mr. Jack Berry, Mr. Murray Abernethy and Mr. W. Hastings, met with the Reeve and other Municipal officers on Wednesday afternoon, April 10, to discuss repairs and other public works deemed necessary for the preservation of the Boulevard and Beach.

The engineer, Mr. Buckley, was instructed by Reeve Nesbitt to prepare a provisional estimate of the costs in order that the approximate figure be known to those who may be assessed to pay for it before any work should be authorized.

Mr. Hastings pointed out that as the entire boulevard had once been privately owned under a restricted Covenant, and as the title to the boulevard had passed to the Municipality through non-payment of taxes, the restricted Covenant to which this property is subject still holds.

This Covenant states that the property may be used for the benefit of the people of Crescent Beach.

There was a chimney fire at the Oliver home in Ocean Park on Sunday morning about 6 o'clock. It was quite a stubborn fire and took some time to extinguish. There was an excellent turnout of Volunteer Firemen.

## Low Net 62 Gives Gibbon Spring Handicap Cup

Syd Gibbon, president of Peace Portal Golf Club, came up with a low net 62 Sunday to win the Spring Handicap Cup and the Monthly Medal at the golf course. Low net runner-up was Dick Rudd.

Despite heavy winds an excellent turnout was on hand for the competition. Low gross winner was Bill Short with Bert Davey placing second. Davey also won the low gross front nine. Low gross back nine was captured by Wayne Wallace.

Runner up to Syd Gibbon for the Monthly Medal was Dick Rudd, with the second low net. George Cully and Archie McLean tied for the third low net position. Low gross winner and runner-up also remained the same with Short winning and Davey placing second.

Ted Baldwin was low net winner of group 1 play and Andy Morgan low net runner-up. The low net between Gord Thornhill and Wayne Wallace marked group 2 play. There was also a three way tie in the

division for runner-up spot between Jack Miller, Bill Bell and Ted Berry. Group 3 low net title was also split with George Cully and Archie McLean sharing the honours. Runners-up were Lynn Sully and Jim Kerfoot.

Other action saw Len Parker take a gimnick prize, winning the highest score—any hole honour, and Bert Davey take the most three's on a card title.

Prizes which included golf balls, umbrellas and cash, were given to all placing participants.

Peace Portal Club is planning a home and home competition with Cedarcrest Club shortly and also against the Beech Groves golfers. Next Monthly Medal competition will be held May 14 starting at 9:30 a.m.

President Gibbon reports that the club is helping the newly-formed 'ladies' golf division to get organized and will arrange for a championship cup soon.

## N.W. Juvenile Club Joins Softball League

New Westminster Chiefs, top Royal City juvenile softball club, has been accepted as an entry into the Surrey Senior C Softball League replacing Kennedy, which withdrew from the circuit this year.

League officials learned of the juvenile application at their weekly meeting Sunday at Whalley.

This brings to nine the total number of teams entered in the loop. They include White Rock-Elgins, Cloverdale, Green Timbers, Newton, Pattullo South, Whalley, Queensboro, New Westminster and the B.C. Penitentiary team.

The latter will not be recognized as a regular participant, being permitted to play only home games on Sundays.

Cloverdale decided to stay in the league last week despite a poor turnout of prospective players. The same lack of interest forced Kennedy to drop from the schedule.

Meanwhile, White Rock-

Elgins held their second practice of the season Sunday and despite a rather poor showing of players, the team is confident of a successful year. Elgins placed third in the seven team circuit last year.

## Cricketers Choose Major A. M. Lester For President

Major A. M. Lester was named president of the White Rock Cricket Club at the annual meeting held April 10 at the Bank of Montreal, Hilltop.

Other officers for 1957 are: Robin Johnston, vice-president; Jack Simmons, treasurer; Robin Johnston team captain; Charles Collison, vice-team captain; and Arthur Capel, equipment officer.

About 10 cricket enthusiasts turned out to the meeting and it was decided the club would play three or four games, but would not enter a regular league.

Games will be played in May, June and August against Langley, S. Hill of Vancouver and the North Shore Cricket Club.

Although the number of present playing members does not allow for one game a week, the group hopes that with the immigration of British and Australian peoples to Canada and to this district, interest in cricket will be renewed.

This year's games will again

### MERYL McGRATH

Back soon to take up her strategic role of training youngsters to swim will be Meryl McGrath who has again accepted the responsibility of head coach of White Rock Amateur Swimming Association.

The popular White Rock coach informed Association officials last week that she would take on the job of heading this resort's most popular and organized summer sport programme.

A native of White Rock, Meryl presently resides at Charlottetown, Prince Edward Island where her husband, is F.O. Doug McGrath, stationed with the RCAF. They have two boys, Ricky and David.

Meryl is the daughter of Mr. C. E. Barge, former hardware store merchant at White Rock, and Mrs. Barge. She started taking swimming lessons from the WRASA at the age of 10 and developed in to a champion swimmer.

The head coach with be assisted by Anne Staniforth, Mary Ann Procter, Maureen McGee and Diana Stewardson.

## Ocean Park Club To Repeat Display

Due to a great number of requests, Ocean Park Boys' Club will stage a repeat performance of their April 8 gymnastic display on Tuesday, April 23 at 7:30 p.m. in the Community Hall.

Director Ted Hindmarsh announced Monday that the show will include two hours of tumbling, gymnastics, games, pyramids with a little clowning thrown in.

The first display met with great enthusiasm by the capacity audience. The club gives the finest indoor athletic training to boys between 6 and 18 years and is financed by public donations.

## Twenty-one Coaches

Take Track, Field Exam

Some 21 potential track and field coaches took the government examination Thursday at Semiahmoo High which will qualify them for a registered coaches certificate.

The exam followed a four-week track and field clinic held at White Rock under sponsorship of Surrey School Board and the Community Programmes Branch of the Department of Education. Results of the test are not yet known.

## Kennett Rink Captures Trophy At Closing Bonspiel

White Rock Curling action came to a close Saturday with Howard Kennett's rink capturing the Valley Lumber Trophy, emblematic of club supremacy, at the four-day closed Bonspiel.

Some 22 rinks entered the Bonspiel which brought to an end a first and very historic year for the White Rock Curling Club.

Len Parker, White Rock manager of Valley Lumber Yards Ltd., made the presentation to the Kennett rink, which won the A event. Other winning rink members were Lynn Sully (3), Harry Beasley (2) and Ed Peterson (lead). Runners-up in the A event was the J. Strachan rink of Ray Stenstrom (3), E. G. Irwin (2) and F. Phillips (lead).

Sid Beales' rink won the B event to capture the Club Cup. L. A. Thompson (3), Mrs. B. Wiegand (2) and R. White

(lead) were other winning personnel. H. Wilson rink of Jack Robson (3), E. Darts (2) and Lloyd North (lead) were runners-up in the B division.

Neither the A or B division final was too close a battle and the Wilson rink conceded victory to Beales after the eighth end. One regulation game consisted of 12 ends.

All trophies, with the exception of the Valley Lumber trophy, were donated by the White Rock Club, plus the cup for the B event winner.

A vote of thanks was given to Len Long, proprietor of the Silver Moon, and Rink Manager Ivan Pepper, at the conclusion of the Bonspiel.

Cecil Ortnier, hard-working president of the Club, made a speech on the success of White Rock Curling during the first year of operation. Refreshments were served.

## Softball Gets \$95 From Athletic Assoc.

White Rock Amateur Athletic Association, granted \$95 towards the local softball movement at an executive meeting Thursday at the Silver Moon.

The prexy gave \$35 to the White Rock Elgins Senior C Softball Club, which will make up the \$130 total entrance fee needed by the team to enter the Surrey League.

Remaining \$60 was granted to the four junior boys and one junior girls softball team which is expected to begin practices shortly.

The girls team will enter a Surrey league with teams from Cloverdale, Newton, Fleetwood and Whalley.

The junior boys will have their own four-team league and will play twice weekly.

The Athletic Association is awaiting the formation of a track and field club before a grant is decided on for this sport activity.

## Ice Skating Starts Tuesday

Ice skating will open Tuesday at 7:30 p.m. at the Silver Moon.

Proprietor Len Long and Rink Manager Ivan Pepper announced Wednesday that skating will be held every evening for about the next two weeks from 7:30 p.m. to 9:30 p.m. and also all day Saturday and Sunday. Those wishing to participate must bring their own skates. Admission will be adults 50c; students 35c and children 25c.

## Royals After Big Hockey Win Tonight

New Westminster Royals got a chance to even their best-of-seven series for the Western Hockey League championship when they host the powerful Brandon Regals tonight at Queen's Park Arena in the second game of the final.

Brandon won the first game 4-3 Tuesday before some 5,000 mildly disappointed New Westminster fans. Royals' team capt. Max McNabb was hero of that contest, sticking-handling through the entire Brandon team to outsmart goalie Lucien Dechene and tie the score at 3-3. Five minutes later Brandon's Len Haley scored the winner for the prairie squad.

Should Royals win tonight, the third game will go Saturday at Queens Park, and then shift back to Brandon next Tuesday. If the hosting team loses tonight, Saturday's game will be played at Brandon.

Some favour Brandon to take the series in four straight games.

## Boys Softball Practice Saturday

All boys between the ages of 12 and 15 interested in playing junior softball for a four-team White Rock League are asked to attend a practice Saturday at 10 a.m. at Semiahmoo Park. League is under the sponsorship of the Athletic Association.

### Mr. and Mrs. Caldwell Honoured by Rotarians

The golden wedding anniversary of Mr. and Mrs. George Caldwell, Prospect Avenue, was the occasion of a very special ceremony at Tuesday's Rotarian luncheon. The much-loved couple, whose music has entertained innumerable gatherings, were presented with an electric frying pan by W. E. Johnson on behalf of Mr. Caldwell's fellow Rotarians. Mrs. Caldwell was also presented with a bouquet of pink and white carnations. On enthusiastic demand from the audience they sang "Ma Ain Wee Hoose."

#### Married in Kilmarnock

Scotland on April 25, 1907, Mr. and Mrs. Caldwell came to Canada in 1910 and settled in Lachine, Alberta, later moving to Medicine Hat, where Mr. Caldwell was a sign painter and decorator. He retired to White Rock in 1944. Further celebrations of the "Golden Anniversary" will be held at the home of their son-in-law and daughter, Mr. and Mrs. Ron Johnson, in Oakland, California, for the couple leave on Monday by train for the southern city. Their only son, Charles Caldwell, and his wife reside here on Magdalen Ave. There are also two grandchildren, Alan and Linda Caldwell.

#### SIXTH BIRTHDAY

Darcy Anne Mitchell, daughter of Mr. and Mrs. Eric Mitchell, Magdalen Ave., celebrated her sixth birthday with two parties. The first was a family dinner on April 7 at which guests were Mrs. L. Cave, Miss G. Cave, Col. and Mrs. J. C. Cave, Mr. and Mrs. D. Cave and Christine, Mr. and Mrs. T. Gray and Melvyn and Mr. T. Thirft. The second party was on Wednesday, April 10, when younger guests were Wendy Warren, Jacqueline and Larry McCloy, Judy and Randy Pravit, Bonnie McNally, Donald Darling and Craig, and Tim Larsen.

#### NEW HOME

Mr. and Mrs. Ian G. Davis, of 15581 Columbia Ave., have moved to their remodelled home at 987 Maple Street.

#### VISITS HOME

LAC Stanton Helmer, is home on a three weeks leave from Claresholm, Alberta, visiting his mother, Mrs. M. Helmer, Washington Ave.

#### FAMILY RE-UNION

Mr. and Mrs. E. Whitehouse 844 Stevens Street, received a pleasant surprise on Sunday when they were visited by Mr. Whitehouse's brother and his wife, Mr. and Mrs. Walter Bruster of Edmonton, Alberta. None of the family had seen each other since 1931. The Brusters were accompanied by their daughter and son-in-law, Mr. and Mrs. Harry Coleman of North Vancouver.

#### IN NORTH AFRICA

Latest word from one of White Rock's most travelled and talented daughters, Miss Celeste Evans, is that the young Canadian magician is now in North Africa with an all-girl orchestra revue. The troupe have just completed an extensive European tour.

#### GRANDSON BORN

Mrs. Jean Fournier, North Bluff Road, had a splendid bit of news this week. Her son-in-law and daughter, Mr. and Mrs. William Hyslop Small (nee Pamela Fournier) of Spokane, Washington, became the proud parents of a son, Daniel Stuart, on Friday, April 12.

#### CHICAGO GUESTS

Dr. and Mrs. F. K. Falls of Chicago, were guests of Mr. and Mrs. H. P. Falls, Pacific Ave., over the weekend.

#### GOING ABROAD

Mr. and Mrs. Doug Watts, of Goggs Ave., are leaving in June on a visit to Great Britain and the Continent. They will be accompanied by their two young daughters, Laverne and Deanna. The Watts came from New Westminster last summer to make their home in White Rock. They expect to return here in September.

#### HOME FROM CARRIBEAN

Mrs. Agnes Butler of Mar-Drive has returned to her home after spending 4 months in the tropics. After disembarking from the Dutch ship "Diemerdyk," she visited in Balboa, Panama City, and Cristobal. From there she flew to Caracas, Venezuela; then on to the Islands of the British West Indies, enjoying the swimming in Trinidad, home of the Calypso. Barbados and Jamaica. Leaving the Islands she flew to San Juan, Puerto Rico and Miami. From there she went on to Mexico City and later visiting friends and relatives in San Diego, San Francisco, and Oakland, her former home, where she played in and won many tennis tournaments before coming to live in White Rock 16 years ago.

### "Come to The Fair."

## Country Fair To Have Mothers' Day Theme

Theme song for all White Rock residents these days should be "Let's go to the Hospital Country Fair on May 11 and buy mother all that makes her day special."

Gay aprons, all styles and colours, cut flowers, plants and farm produce will be there in abundance. And, to save mother from working on her Big Day delicious pies, cakes, cookies and home baked bread will be stocked in several booths. These are only a few of the items that will be in evidence at the White Rock Hospital Auxiliary's annual Country Fair to be held in the Silver Moon.

General convener is Hospital Auxiliary President, Mrs. Paul Starek and her co-convener is Mrs. J. Dingwall. Mr. L. Sully, new president of the Hospital Board, will officially open the Fair at 2 p.m.

Tea will be served throughout the afternoon. Under the convener'ship of Mrs. V. B. S.

### Wedding Reception At Tara Club

Following the marriage service for Joan Patricia Johansen and Richard Followfield in Sunnyside United Church on Thursday, April 18, at 7 p.m., a reception will be held in Tara Supper Club, King Geo. Highway.

The bride, the daughter of Mr. and Mrs. Arne Johansen of Johnston Road, has been the guest of honour at several showers recently. She was again honoured on the weekend when one of her bridesmaids, Miss Germaine Accarias, gave a miscellaneous shower at the home of her parents, Mr. and Mrs. H. J. Accarias, Stokes Road.

Special guests on this occasion were the bride-to-be's fellow employees from Sunnyside Cannery.

### Newton Couple Celebrate 56 Years.

Mr. and Mrs. William Hall of Newton, who are 85 and 83 years respectively, celebrated their 56th wedding anniversary this week. Married at Polesworth, Warwickshire, England, the couple came to Canada in 1901 and have resided in the Newton area for the past 43 years.

### Mrs. Bennett To Be Tea Guest of Honour

Many White Rock residents will be going to Whalley on April 23 when B.C.'s "first lady," Mrs. W. A. C. Bennett, wife of the Premier, will be the honoured guest at a "tea" in the Dill Hotel dining room in Whalley from 2 to 5 p.m. Among them will be the Honourable T. J. Irwin and Mrs. Irwin of Terry Road. Others invited are the Honourable Ken Kiernan and Mrs. Kiernan, Honourable Lyle Wicks and Mrs. Wicks, Mr. George Massey, MLA and Mrs. Massey, Mr. A. B. Vista. Present holders rented the land from the Hope family, who sold it to them when several legal technicalities were settled.

Hope Estate have now sold the whole parcel of land to the present owners who agreed to sell the land between Victoria and Buena Vista, to Jarvis Construction Company.

Remaining property on Washington Ave. is also under improvement and a new business premises is being built by local merchant Cy Amos.

The Hope family, pioneer Langley settlers, bought the property many years ago when White Rock was regarded as a small resort village.

## LETTERS TO THE EDITOR

Letters published in this column are the sentiments of the writers themselves and are not necessarily subscribed to by the Editors.  
The Editor.  
Dear Sir:

Re your Editorial in the issue of April 11, 1957, "What Became of Pioneer Village?" In your Editorial you infer that it has been held up on account of sewerage connections. Such is not the case. About a year ago I was requested to look into this matter. This is what I found: Preliminary surveys were made for sewers and found possible, providing necessary easements were acquired and a new pumping station installed to lift sewerage to disposal plant. This cost of course would be added to the total of the village cost. Upon interviewing one of the original directors he informed me that the question of financing became confused and they could not conform with the Act, to get Government assistance and the whole matter was dropped. He gave me the details but it is hardly necessary to go into them here. The point I wish to make is: The White Rock Sewerage Disposal Plant was erected to service a certain area and that area is taxed for that service and is entitled to it. The plant has a limited capacity although the engineers allowed the usual "Factor of Safety" that factor should not be used except in times of stress, hence any ex-

cess of capacity would mean that the unfluent would not be purified before it was released.

As this plant is under constant supervision by the Provincial Health Department; also the U.S. Health authorities and certain interested parties who are cultivating oyster beds it behooves the citizens of White Rock and those that represent them to consider this matter carefully and not be too anxious to take in outside territory. (Fools rush in where angels fear to tread). Otherwise we shall be faced with the problem of extending the present plant (and there is little room there) or building a new one in the West End. In conclusion I would suggest that anyone interested make a visit to the plant and get acquainted with its ramifications. I assure you they will receive courteous treatment. Many parties from the Army Engineers from Chilliwack visit it.

Yours,  
Wm. R. Offer.  
P.S. — Some 15 years ago Vancouver had to forbid clam digging on beaches as beaches were contaminated and danger of typhoid.

We don't want that here—W.R.O.

Editor's Note: The Editorial in question merely said "it was supposed to be held up for a time because of sewer connections." We did not infer it still is.

### OCEAN PARK

A surprise party was arranged by neighbours on Saturday night in honour of Mrs. M. G. Thompson, Stokes Road, who was celebrating her birthday anniversary.

Mr. G. Crovaz has returned home from Shaughnessy hospital where he was a patient for several weeks.

Mr. Derek Uren attended the Recreational Conference held during the week in Vancouver.

Mr. and Mrs. A. F. Cotton are spending a few days on Vancouver Island.

Mrs. C. A. Barham of Port Kells, Yale Deamery W.A. Dorcas convener, was the guest speaker at the meeting of the W.A. of The Church of the Ascension on Tuesday.

Mrs. R. Murray of Vancouver visited former neighbours on Ocean Park on Tuesday.

Mrs. E. Baker left on Saturday to meet her husband in Edmonton who has just graduated from the University. Mr. and Mrs. E. Baker will leave immediately for their home at Berewin, Alta.

Mr. H. W. Lees left last week on a trip to Australia and on to London, England. Mr. Lees expects to be away three months.

Miss Phyllis Chapman and Miss Kathleen Murphy, nurses in training at the Royal Columbian hospital, visited Mrs. A. Rines on the weekend.

### Darwin Home In Ocean Park Sold

The property on corner of Darwin and Stevenson Road has been sold to Dr. and Mrs. Kerman, who plan extensive improvements.

The home which was built and occupied by Rev. O. Darwin, D.D. and Mrs. Darwin, was then with its well-kept grounds and beautiful flower gardens one of the show places of Ocean Park. The upkeep of the place became too great for Dr. Darwin, who has now reached the age of 96. He and Mrs. Darwin moved to Vancouver, where they still reside.

Word has been received from another well-known pioneer resident of Ocean Park in the person of Rev. W. S. A. Crux who now resides in California, that he intends to visit Ocean Park and Vancouver this summer. Mrs. W. E. Pinchin is a sister of Rev. Mr. Crux.

### Crescent Beach News

The J. W. Dittmars Junior are moving to their new home in White Rock. They have been occupying the Gordon McKenzie house which has been sold recently.

Mr. and Mrs. Richard Davidson spent a day recently at her mother's, Mrs. T. B. Green.

Mrs. Alan Foster and son Hamar are going to Victoria on Thursday to visit with Mrs. Foster's mother, Mrs. William Russ of Connoton Lane.

Mr. Roger Stubbs is doing well in White Rock Hospital, after an emergency operation on Tuesday. Mr. and Mrs. Evan Stubbs from Coronation, Alberta, drove from that place to the White Rock Hospital in record time, to visit Mr. Stubbs, Senior.

At the whist on Friday, April 12 in Ocean Park Community Hall, Mrs. Boyd won ladies' 1st prize, Mrs. Rimmer the consolation. Mr. Reynolds won the men's 1st, and the extra prizes for attendance for five weeks were won by Mrs. Baker, the Cold Wave; and Mr. Watts, the electric clock.

Mr. William Russ of Victoria arrived on Thursday to spend a few days with his son, Stevenson Road.

Ronnie Coppard, who was

away from school with mumps and a species of rheumatic fever for six weeks is now recovered and progressing nicely. Young Mr. Coppard has been one of the instructors in the Ocean Park Boys' Community Gym.

Miss Beatrice Gilley, formerly of New Westminster, and recently residing in Vancouver, plans to take up year-round residence here. The Gilley home on the beachfront is one of the oldest and best-known summer residences in this whole resort.

### Ocean Park S.C. W.A. Hear J. Burrows

The W.A. of the local Social Credit Group met at the home of the president, Mrs. O. Scott, on Thursday afternoon. Mrs. G. Crovaz acted as secretary, pro tem. Mrs. Van was appointed secretary of the group. The president mentioned how much the group would miss Mrs. Manners, who has moved to Vancouver.

Arrangements were made for members to attend a tea to be given at Whalley in honour of Mrs. W. A. C. Bennett, wife of the Premier, on April 23. Councillor J. Burrows as guest speaker took as his theme "House-cleaning," and pointed out instances of house-cleaning needed in the Federal Government.

The speaker referred to the fact that butter is 70 cents a pound to Canadians whereas large shipments could be made to a foreign country for 35 cents a pound. He felt that Canadians should be able to purchase the surplus at a lower cost than at present.

Mr. Burrows also said he felt funds for hospitals should be supplied by the Federal Government. He feels that the Social Credit Government, if elected could bring about a better way of life for Canadians.

### Senator Reid Presents Dancing Awards

At the Fraser Valley B.C. Highland Dancing Association Social held at Port Kells Community Hall, on March 20, the awards for the competition for the season 1956-57 were presented by the guest of honour, Senator Tom Reid.

The following is the official list of winners as released by publicity chairman, Mrs. Kay Brown.

FACTS THAT SPELL "OPPORTUNITY" FOR YOUNG MEN WITH AMBITION

1. The "Royal" is North America's fourth largest bank. More than 870 branches are in operation and new ones are being opened all the time. During the past four years we have opened 94 new branches, each one creating new managerial positions... and resulting promotions for young Royal Bankers.
2. "Influence" plays no part in advancement at the Royal Bank. Our senior officers from the Chairman and President on down started as juniors in small branches and advanced on merit alone.
3. Home study banking courses are available to all staff members. Successful candidates advance quickly. Practical experience plus the banking course is equivalent to a university course in Commerce.
4. For young men interested in gaining international banking experience, the Royal Bank has 75 branches abroad... in New York, London, Paris, Central and South America, Cuba and the West Indies.
5. We have generous pension plans that compare with the best, as well as group, health and hospital insurance, at low cost to employees.

## RECIPE OF THE WEEK

### A Lease On Spring.

Spring menus without the delicacies traditionally associated with this season of the year would be similar to Christmas without snow. At this time of the year there's something missing if lamb—which is as much a delicacy of Spring as maple syrup and rhubarb—isn't served in some special way. Here's a recipe for a wonderful dumpling-lamb stew, that is likely to become a tradition in many Canadian homes. There's a surprise touch in that the curry is added to the feather-light dumplings rather than the meat. It's a simple-to-make ensemble that's as delightful as the first breath of Spring. Just remember not to lift the saucepan lid as the dumplings are cooking.

### LAMB STEW WITH CURRY DUMPLINGS.

Yield—6 servings.

- 3 pound piece shoulder lamb
- 1 teaspoon salt
- 1 teaspoon monosodium glutamate (optional)
- 3 medium-sized carrots
- 2 medium-sized onions
- 2 pieces celery and leaves
- Bolling water
- 5 or 6 pieces celery
- 12 very small onions
- 3 tablespoons flour
- 1/4 cup cold milk
- 1/4 cup chopped parsley

Have butcher cut lamb into serving-sized pieces. Wipe meat with a damp cloth and put meat into a deep stew pot; add salt and monosodium glutamate, if being used. Cut up 2 of the carrots, the 2 onions and the 2 pieces of celery and leaves and add to meat. Just cover with boiling water. Cover and simmer until meat is just tender. Remove pot from heat; lift out pieces of meat and strain stock. Skim off all fat; then return meat to stock.

Cut the 5 or 6 pieces of celery and the remaining 6 carrots into match-stick pieces and add to lamb. Peel and add small onions. Cover and continue to simmer until vegetables and meat are tender—about 45 minutes. Thicken stew with flour blended to a smooth paste with cold milk.

Drop Curry Dumpling dough (recipe below) over stew and cook as directed. Arrange cooked dumplings around edge of large platter, fill centre of dish with meat and vegetables and a little of the sauce. Sprinkle with parsley. Pass remaining sauce in a gravy boat.

### CURRY DUMPLINGS.

Yield—6 servings.

- 1-1/3 cups once-sifted all-purpose flour
- or 1 1/4 cups once-sifted pastry flour
- 2 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1 teaspoon curry powder
- 1 1/2 tablespoons shortening
- 2/3 cup milk

Sift all-purpose or pastry flour, baking powder, salt and curry powder into a bowl. Add shortening and cut in finely. Make a well in the dry ingredients; add milk. Mix lightly and quickly with a fork. Drop dumplings over stew. Cover closely and simmer 15 minutes—do not lift cover during this time.

### Schools and Industry PTA Convention Theme

Vancouver will be hosting the 900 delegates of the 50,000 membership of the British Columbia Parent-Teacher Convention to be held in the John Oliver High School, April 23 to April 26.

One of the aims of the convention will be to foster a better understanding of our educational system by business and the public at large. To this end, a resolution urging the Minister of Education to have regular articles or statements prepared for release to the public will be discussed.

The banquet speaker will be Mr. Ronald S. Ritchie, Division Manager, B.C. Marketing Department of Imperial Oil Limited. This 37 year old Western economist shows wide understanding of Canadian economic, social, and educational problems, and his views help to interpret the aims and objects of modern education.

### HOSPITAL CALENDAR

The April meeting of the Goldcutt Group was held at the home of Mrs. D. Hazlewood, Marine Drive, with Mrs. M. Zuck and Mrs. H. Olds as co-hostesses. Twenty-three members were in attendance and plans for Country Fair were finalized. May meeting to be held at Mrs. J. Loghrins, Wheatley Ave.

A new Hospital Group is to be formed in Marine Heights district early in June at the home of Mrs. L. Biro. Anyone knowing of any other district in which a group might be formed, kindly phone Mrs. H. Bruels, 55493.

The Crossroads Hospital Group met at the home of Mrs. M. J. Kilpatrick for their regular April meeting last week with a good attendance.

### Ocean Park S.C. Defy 13th Superstition

A capacity crowd of Social Credit members which gathered at the home of Mr. and Mrs. O. Scott, Stevenson Rd., Ocean Park, on Saturday, the 13th, proved that Superstitions are not superstitious of the 13th.

Mr. O. Scott was re-elected as president for the coming year; Mr. Luther Goodwin, vice-president, and Mrs. Elsie Scott, secretary-treasurer.

A public meeting is being sponsored by this group in Ocean Park Community Hall on Saturday, April 20. Mr. Geo. Hahn, M.P., will be the principal speaker and his subject will be "What a Social Credit Government will mean to Canada."

A large crowd is expected at this meeting as a federal campaign gets into high gear with only six weeks left in which to bring to the people issues that must concern them personally.

### DRESS UP FOR SPRING

Crisply pleated horizontal stripes in shades of brown and yellow stay fresh all summer in a new Canadian fabric—a blend of synthetic material and cotton. The two fibres have been combined to provide material which looks like familiar cotton but which has all the easy-care qualities of the man-made fibre. The pleats stay sharp through washing and the dress seldom needs ironing.

## White Rock Exceeds Red Cross Quota

White Rock was one of 13 Branches of the Red Cross which exceeded their quotas in the 1957 Drive for funds. The recent local drive amounted to 130 per cent of the \$2500 objective set. Mr. W. W. Wood, campaign chairman, told the quarterly meeting of the White Rock Branch, held in the Masonic Hall, April 15.

Ken Conibear, well-known Boy Scout leader, was presented with a 30-time donor pin by Mrs. E. M. Mawer of Vancouver, Past-President of the B.C. Division of the Red Cross and Provincial Chairman of the Blood Transfusion Service.

Another donor, R. T. Jones, recently received a 20-time donor pin.

In the first three months of this year \$86 had been raised by pupils of White Rock Elementary School, Mrs. J. Sinclair reported. George Cook of Sunnyside, reported that three families who were burnt-out in the recent disastrous waterfront fire were assisted with Red Cross gifts of clothing and necessities.

### DONORS' CLINIC

July 3 was set as the tentative date for White Rock Blood Donor Clinic.

Need for a Home Nursing Course to be given in W.R. was emphasized by Mrs. L. de

Sage, in charge of the Home Nursing Division for B.C.

Guest speaker, Col. C. A. Scott, B.C. Division, praised the work of the White Rock Branch, success of which he felt, was largely due to the hard work of women members.

Commenting on reports that the Red Cross is supplying such luxury items as cigarettes to Hungarian immigrants, Col. Scott said:

"These reports are entirely erroneous. We do supply them with some items such as sewing machines, barbing combs and other articles needed until they become more resourceful and find jobs."

Mrs. W. Higgins, Work Room Convener, reported 400 articles shipped from White Rock in the first four months of this year.

Mrs. G. Burden, at present visiting in England, is loan cupboard convener. It was reported that demand for articles from the cupboard continues to be great.

Mr. William Moffat, President, White Rock Branch, was in the chair and the financial report was given by Mrs. Wm. Moffat treasurer. Rev. H. Berry opened the meeting and Mrs. T. H. Morden was secretary. Mr. Ken Whipple operated the projector while Col. Scott showed films of Red Cross activities.

## Senior Citizens Housing Project

Housing for senior citizens is a very live topic nowadays and the launching of the newest project at Crescent under the sponsorship of Crescent United Church augurs well for its success. Operations will come under the "Society of the Housing Act" whose parent in this case will be the Crescent United Church.

The Organizational Committee will consist of Chairman Mr. W. G. Perry, phone Newton 130-X-2, and secretary Mr. Roy S. Shields, phone W.R. 46544.

The financial structure is: Total project cost \$75,000; 10 per cent of which has already been raised by the above committee; the balance of \$67,500 will be raised by means of provincial grant and loan from Central Mortgage and Housing Corporation at low interest. The plans call for one unit of eight single occupancies plus common room. One unit of four single and four double apartments.

The moderate rental will cover overhead, installation of electric stoves and refrigerators, built-in kitchen cupboards, dresser and storage drawers. Exterior will be of pleasing appearance, stucco and cedar. There will be wall-to-wall carpeting throughout most of the buildings.

Proposed location is 300 feet off Stevenson Road on which transportation to White Rock or Vancouver is available.

Success of any venture of this type depends on the support of good Senior Citizens in sufficient numbers to have a back-log of would-be tenants thus ensuring its success, a spokesman for the project told the Semiahmoo Sun. Any fur-

ther information will gladly be supplied by Chairman Perry, or secretary Shields.

## Newton Gear Plant To Open, June 1

A company which ships various models of transmissions and winch-drums all over the world is moving its plant from Vancouver to a site in Newton.

The new \$100,000 Gearmatic Co. Ltd. plant will be ready for occupancy in June.

Frank L. Lawrence, president of the company, has announced the date the company will move its plant and offices from the Vancouver location of 638 West Sixth Avenue to their Newton location at 7400 132 Street (Roebuck Road). The new steel and concrete block building is now being completed by Manson Bros. Ltd.

## Film Councils Showings Reach Two Million

Aim of the National Film Councils organized on a country-wide basis, is to interpret Canada to Canadians, Mr. Wm. Orr, Fraser Valley representative of the National Film Board told a dinner meeting of the Surrey Film Council in the Silver Moon Thursday night.

In all, there are 48 Film Councils organized in B.C. in communities situated all the way from Vancouver Island to the Alberta Border, the speaker said.

"The documentary film is a culture tool, which can be used in a great variety of ways for public service," Mr. Orr said.

"In the past year there have been 18,000 showings of our films, viewed by an audience of 1,800,000."

He pointed out that for a small fee organized groups in B.C. can obtain the use of a \$750 projector machine, a \$75 screen and have access to approximately 200 films a year.

Bert Rose, Surrey Film Council president, announced the forthcoming B.C. Convention of Film Councils being held in Penticton on May 4 and 5.

Earlier in the evening it was stated that White Rock, which now has a sub-depot for films, may have its own Film Council.

Be not so bigoted to any custom as to worship it at the expense of truth. — Zimmerman.

## Board of Trade Guests of B.C. Telephone

There are approximately 22,000 connections and 215 miles of wire in the B.C. Telephone office on Vidal Street, members of the White Rock Board of Trade, who visited the smart, new pink stucco building Tuesday night were told.

Board members and their wives were guests of Mr. Ralph MacPherson, District Commercial Manager, and Mr. Dwight MacLeod, District Plant Manager for New Westminster and the whole Fraser Valley. They were taken on a tour of inspection of the Vidal Street Plant and were later entertained at a social hour by the Company in the Silver Moon.

Process of moving from the old part of the building to the new addition will be completed sometime in July, the visitors were told. Twenty men are at present engaged in this intricate task.

Also completed by midsummer will be the "harmonic" or selective ringing whereby subscribers on party lines will hear only their own ring. By another innovation subscribers who move to a new address will be able to retain the small call number, the visitors were told.

Biggest attraction for many during the tour of inspection was the "Electronic Secretary" which automatically takes and records phone messages during the night. There are already 100 of these installed in and around Vancouver.

Board President Ken Binning and Board member Chas. M. Defieux, White Rock's Acting Mayor, on behalf of the Board and the City, thanked Mr. MacPherson and Mr. MacLeod for "the enlightening and informative evening."

Both assured the Company's representatives present they were sure Board members had a much clearer picture of the infinite number of details involved in making routine calls.

Besides Mr. MacPherson and Mr. MacLeod, other Company representatives present were: Ralph Spicer, Installation Su-

pervisor; D. A. Chubb, District Commercial Supervisor; Bob Gibbs, Outside Conversion Foreman; Mason MacDonald, Installation Foreman; Fred H. Moonen, News Supervisor and Public Relations; Stan Evans, White Rock District Repairman; John Leonard and Bob Chesterman, Public Relations.

In introducing the Company representatives to the Board, Mr. MacPherson said Mr. Chesterman had come from England to Canada "only four weeks ago. If this is the type of young man the old country is sending us we are fortunate. Indeed."

## Oil Drilling Resumed At Abbotsford

Raymond Shaw, President of Key Gas and Oil Company, has announced that drilling at the Company's Abbotsford site was resumed this week.

Drilling has been at a standstill for over a month, Mr. Shaw said, while negotiations were carried on for obtaining about 8000 feet of 3 1/2 inch drill stem.

"Short supply of this item caused the long delay," said the President. "We shopped around for a good deal and finally were successful at a saving to the shareholders of approximately \$26,800."

"While we cannot guarantee commercial production yet, nevertheless indications have been getting encouragingly more positive, the last few hundred feet, and my own opinion is that we are now quite close to what we are looking for."

Mr. Shaw said recent samples taken from the well are "richly saturated with both gas and oil showings."

Registration of motor vehicles in Canada rose to a total of 3,948,787 units.

## THE CHURCH SPEAKS

Pilate said to them:  
"What shall I do with Jesus who is called Christ?"  
They all said:  
"Let him be crucified!"  
And he said:  
"Why, what evil has he done?"  
But they shouted all the more:  
"Let him be crucified!"

Now after the sabbath, toward the dawn of the first day of the week, Mary Magdalene and the other Mary went to see the sepulchre. And behold there was a great earthquake.

So they departed quickly from the tomb with fear and great joy, and ran to tell his disciples. And behold Jesus met them, and said "Hail!"

Matt. 27:22, 28:12, 8, 9.

## Presbyterians Look For New Church Site

At a Presbyterian Congregational meeting held recently in the church hall, a committee was set up to investigate suitable sites for a new church.

Members appointed are: Mrs. George Kinsey, Mrs. Tom Bett, Mr. Frank Pickering and Mr. Bert Robson.

Rev. T. S. Baynes presided at the meeting at which the possibility of acquiring a site and building a new church was discussed.

The committee are to report their findings to a Kirk Session within two months.

be Miss Belva J. Howett, Social Worker with the First United Church, Vancouver. Miss Howett is a well-known speaker, with a fund of knowledge gained from personal activity in her work among the underprivileged. The Easter theme will be used in the devotional and music. Tea will be served at the close of the meeting. A very cordial invitation to attend, is given to all interested women.

## Funeral Today For Henry Senay

## Church Show Film—"Mid-Century Martyrs"

Returning to White Rock this coming Sunday is former Semiahmoo High School teacher, David Nightingale. Mr. Nightingale has been on the staff of the "Voice of the Andes" radio station in Quito, Ecuador, since leaving White Rock.

On Sunday evening he will be showing pictures of his work in South America. A highlight of his meeting at the Evangelical Free Church, Pacific and "F" Streets, will be the showing of a film strip, "Mid-Century Martyrs," vividly portraying the thrilling story of the five young men who died at the hands of the primitive Aucas Indians in the jungles of Ecuador.

Mr. Nightingale knew these modern martyrs personally.

The occasion is the Easter Thank-offering Service of the Women's Missionary Society Auxiliary of that church, when the guest speaker will

WM. MOTT RESIGNS

Ill health has forced William Mott, former New Westminster Riding representative in Ottawa, to resign as Liberal candidate in the forthcoming Federal election. Mr. Mott said he "deeply regretted that doctor's orders made it impossible for him to continue as the Liberal nominee for the Riding which he represented from 1949 to 1953." A nominating meeting is being held tonight in Dreamland Hall, to name a successor to Mr. Mott. Hugh McGivern, Royal City barrister and president of the New Westminster Liberal Association, has been suggested as a possible candidate to fill the vacancy.
